15 - 18 hours of controlled electives to total 69 hours of major requirements.

Consult admissions requirements for specific professional programs.

NOTE: If student chooses CHEM 3015 they must take 18 hours of controlled electives. If student chooses CHEM 3053, 3112 and 3153 they must take 15 hours of controlled electives.

Ensure that enough upper-division controlled electives are taken to meet the 40 hour upper-division Regents requirement.

This degree program does not meet all the Didactic Program in Dietetics academic course requirements. See the NSCI Major/Dietetics Option sheet for courses to be added.
