The School of Hotel and Restaurant Administration (HRAD) has been known for more than 75 years as a program of distinction. Faculty prepare students through meaningful teaching, quality laboratories, supervised industry work experience and internships. The School operates a fine dining and a quick service restaurant and has experiential labs in several local hotels. Learning is “hands on” and provides a management-focused bridge between the classroom and professional experience in the hospitality industry.

**PURPOSE:** Inspire leadership in hospitality.

**VISION:** To be known as a global leader in hospitality education.

**MISSION:** The School of Hotel and Restaurant Administration at Oklahoma State University is a world leader in hospitality education through research and innovative experiential learning to advance the lives of those we serve.

**FOCUS:**
- High quality academic foundation centered on a focused and relevant curriculum with the integration of research and engagement.
- Diverse experiential learning labs that are operated professionally and ethically using sound business principles and which serve the community.
- Student organizations which actively partner with national and international hospitality professional associations.
- Signature events that provide experiential learning for students and bring together individuals and communities while supporting the land grant university mission.
