March 23, 2020

This past week Oklahoma State University made the difficult decision to hold all classes online for the rest of the semester. Unfortunately, this means that our students will not be present for our annual fashion show and the difficult decision was made to cancel the event which was to be held on April 17.

Many of you have volunteered to help with the Euphoria fashion show in many different capacities from models to general volunteers, to even sponsors who have donated goods and services for our auction/raffle, for student awards and to help offset costs of this event. We appreciate everyone who signed up to help.

Some of you may wonder what happens if I have already purchased a ticket. If you purchased it through the Market place site or Bursar, then your money has already been or is in the process of being refunded. If you purchased your tickets by check we are working on getting that money refunded and you will be hearing from us soon. If you paid cash for the tickets please contact the student that sold you the ticket or keep the ticket and exchange it for a ticket to next year’s event (must have actual ticket). If you ordered T-shirt and/or hats they should be ready by the end of the month. You will be notified with delivery options.

Next year will be our 10th annual show and we would like to encourage those of you who will be around next year to help us out by volunteering your services. We fully anticipate our 10th to be our biggest and best show ever.

Again, I heartily thank you for your support and invite you to come celebrate with us in 2021. Please feel free to contact either myself or Diane Limbaugh if you have any questions or concerns, our contact details are below.
