Hello OHCE members!

What an interesting Spring we are having. It has been cold in my area, and still warming up in front of the fireplace. However, the District Meetings welcomed everyone with such warm greetings from the District Representatives and all the Hostesses. Each District meeting was outstanding. Thank you to all who had a part in their District’s meeting. I was able to attend a few of the workshops and enjoyed each one.

The reports at each meeting of what was done in your counties and the new members that have joined OHCE (close to 400) is just phenomenal. I am so proud to be a part of an organization that lends a helping hand to those in need, our youth who will be going on for further education, our veterans, our population in general. You are the greatest.

I am looking forward to seeing many of you at the State meeting in July. A new president will be installed at that time. I will miss this experience but will delight in moving on to Chair the Nominating Committee for the next two years. I plan to hear from many of you during this time as you consider serving as a member on the State Board. What a joy it has been to serve as your State President and to get to know so many of you.

Continue your passion for OHCE. It is a wonderful organization that I am so proud to be a part of.

Thank you for giving me the opportunity to serve.

Debbie Mote, President
OHCE State Board

Dear OHCE members:

What a wonderful set of district meetings you’ve had this year. I learned a lot and came out of each meeting filled with your enthusiasm and dedication to making a positive change for all Oklahomans. I thank the district representatives, advisors, and the state board members for exhibiting great leadership. As I mentioned during my remarks, I encourage your groups to report your volunteer work. With just a 3rd of all groups reporting, we were able to see how much you mean to the communities and the state. You change lives by helping our youth and adults learn new things, and engage in projects that make a difference. For the first time, we were able at OSU to send to our US Congress delegation a summary of your accomplishments along those of the Family & Consumer Sciences Extension programs we deliver. Keep up the good work!

Finally, I invite you to come to the OHCE Annual State Meeting in Oklahoma City, July 8-10, 2018. For more information visit your website at ohce.okstate.edu/state-meeting.html

See you there!

Southeast District Meeting News

A great time was had at the 2018 SE District Meeting at the Ardmore Convention Center in Ardmore, Oklahoma. It truly was, “Hats off to OHCE” and the hosting members of Carter, Bryan, Johnston, Love and Marshall Counties for putting together a great program and wonderful array of workshops.

Starting on Monday evening the members were offered the opportunity to take a trolley ride and visit the Greater Southwest Historical Museum. This is a wonderful museum to take in the history and culture of south-central Oklahoma. If you haven’t been, it will make an educational and fun outing for your local or county club.

Tuesday morning was off to a great start with 241 members registered and 30 guest/presenters. There were 24 workshops to choose from this year. How to Make OHCE Bloom had great ideas to implement for growing your membership. Making Natural Probiotics-Beginning Fermenting was very informative. There were many members walking around with eggs from, Fabergé’ Eggs-Lets Recycle. And our State Project, Know Your Lemons and Comfort Pillows.

Our lunch entertainment was Susan Pfau Yeager with Dr. Danise Gallaway, her accompanist. Susan was wonderfully entertaining with story and song.

The silent auction included raffle items this year along with gift baskets. The two big raffle items were a quilt and a free 2-night cabin near Beavers Bend.

I have had a fun time serving as your SE District Representative, it has been a pleasure to travel your beautiful state and meet so many wonderful Oklahoman, thank you. With pleasure I welcome Pat Chapman as our new SE District Representative. I look forward to seeing you all next year in Wonderland.

MEMBERSHIP DUES

The cut-off date for OHCE membership dues and member information to be received by the state treasurer is **July 1**. The number recorded on that date is your official county members for 2018.

The state treasurer sends the count of paid OHCE members to the state office on July 1 each year and that is the number of your county paid members for the year.

Each county should use this date as the official cut-off date. The number of members that have paid dues by July 1 should be the number referred to as the official count for 2018 to determine your county membership gains or losses. If you have questions or need to verify your county number, contact Vina Spickler, State Treasurer, at sandpiperacctg@gmail.com.
