The Oklahoma State University Dietetic Internship is affiliated with many large medical centers in and around Oklahoma City, Tulsa and Enid with whom our interns do their supervised practice management and clinical rotations, including those listed below.

### Oklahoma City Area
- INTEGRIS Baptist Medical Center
- Midwest City Regional Medical Center
- Mercy Health Center (Management only)
- OU Medical Center
- Saint Anthony Hospital

### Tulsa Area
- Hillcrest Medical Center
- Saint Francis Health System
- Saint John Medical Center
- OSU Medical Center
- Jane Phillips Medical Center

### Enid & Stillwater Areas
- Saint Mary’s Regional Medical Center
- INTEGRIS Bass Baptist Health Center
- Stillwater Medical Center (Management only)

We are also affiliated with numerous community programs that provide nutrition services. Interns work with the Assistant DI Director to identify settings and schedule rotations that meet competency requirements and intersect with the interests of our interns.
