

Dietetic Internship

Oklahoma State University

The Oklahoma State University Dietetic Internship is affiliated with many large medical centers in and around Oklahoma City, Tulsa and Enid with whom our interns do their supervised practice management and clinical rotations, including those listed below.

Oklahoma City Area

INTEGRIS Baptist Medical Center
Midwest City Regional Medical Center
Mercy Health Center (Management only)
OU Medical Center
Saint Anthony Hospital

Tulsa Area

Hillcrest Medical Center
Saint Francis Health System
Saint John Medical Center
OSU Medical Center
Jane Phillips Medical Center

Enid & Stillwater Areas

Saint Mary's Regional Medical Center
INTEGRIS Bass Baptist Health Center
Stillwater Medical Center (Management only)

We are also affiliated with numerous community programs that provide nutrition services. Interns work with the Assistant DI Director to identify settings and schedule rotations that meet competency requirements and intersect with the interests of our interns.
